Notes for NANCY CANNADY:

Widow Nancy applied Rockcastle 1842 for pension.

November 25,1843- Rockcastle County, KY.

Nancy Chasteen appeared before James D Ballard and stated that she was born in Albemarle County, VA. and moved to Amherst County, VA. when she was two years old where she was raised. That in the month of October, 1785, she was married to James Chasteen in Amherst County, VA. by a Methodist preacher by the name of Davidson and the name of the man who gave the license was William Loving. Her father told her that she was nearly twenty six years old when she was married, but except for this she doesn't know how old she is. She and her husband moved to Kentucky in October of 1791 and her oldest child is 55 or 56 years old. She had two children before she moved to KY. who are now still living, and she had four since, three of which are still living. They settled in Madison County, in the part that later became Rockcastle County, KY. Her husband died Feb.27, 1841.

Notes for ELIZABETH CHASTEEN:

Marriages 1786-1822

Nathan Adams married Elizabeth Chasteen 20 Dec 1809, Bondsman William Adams, father of bride James Chasteen, returned 21 Dec 1809

When I read the marriage of Joseph Durham to Mrs Elizabeth Adams, I assumed she was married and widowed. It does not give any ages in this book I have but maybe the original record would have this information and you would be able to obtain it from Madison County. Maybe one of our list folks would be close enough to check it out for you. I agree with you, I believe she is one in the same Elizabeth Chasteen who married Nathan Adams, then married Joseph Durham, what do you think?

Cindy

From James Chasteen Pension Application:

Statement by Commissioner Winfred Scott, Memo date illegible.

"They (James and Nancy Chasteen) had six children, the following names were given: Elizabeth, who was the oldest and who married ___(DEM- Joseph)___ Durham and she stated in 1843 that she was about Fifty nine or sixty years of age; John. who stated in 1843 that he was about fifty-two years of age; Polly, Jesse, and Nancy."

Respectfully,

Winfred Scott, Commissioner

Joseph Durham married MRS ELIZABETH (DEM- Chasteen) ADAMS on 15 Nov 1813 the Bondsman was Josiah HARDIN.

Notes for NATHAN ADAMS:

Question's

Could Mary Elizabeth Adams, born 1818, who married John Allen Hardin be related to Nathan? A Daughter perhaps after his marriage to Elizabeth Chasteen?

Could Mariah Adams, born 1810, and married to Hardin Durham be a daughter?

Nancy Adams married Andrew Shearer of my family, in 1805, in Campbell County, VA.

Hannah Adams married Elijah Chasteen, b. Mar. 25, 1776. Elijah, son of John Chasteen, b.1743 in Buckingham Co. VA. and died in Pickend County, SC. John was the son of Pierre "Peter" Jr.

Chastain.

Mary Elizabeth Adams, b. 1818, married John Allen Hardin, b. 1817, son of James

N Hardin, b.1795 who married Mary Susan "Polly" Chasteen, b. 1793, d/o James Chasteen. 1760.

NOTE: If Mary Elizabeth Adams is related to Hannah Adams, then we have have a connection of the James Chasteen ,1760, to the Pierre "Peter" Chastain family through marriage.

Mary Ann Polly Adams, married Colby Coffey,
>
> Sallie Adams married Thomas Miller, Mar 25, 1802 in Madison Co, Ky.
> Thomas was born 1779 and the son of John Robert Malcolm Miller, b. 1750.

Notes for JOSEPH DURHAM:
Joseph Durham married MRS ELIZABETH (nee Chasteen) ADAMS on 15 Nov 1813 the Bondsman was Josiah HARDIN.

Elizabeth Chasteen was married first to Nathan Adams,

A death certificate of Martha Ann (Durham) Lawson is on record in Jackson County, IN. She was born Mar. 10, 1832 in Rockcastle County, KY. and died Mar. 29, 1923 in Jackson County, IN. near Medora, at age 91. She is interred alongside John Lawson in Brown Cemetery, about four miles from Medora. John Mack Lawson, b. May 5, 1873, died Jan. 13, 1941, was her only child. John lived his entire life near Medora.

Martha's death certificate names her parents as Joseph Durham and Nancy Chasteen, both born KY. Assuming that Martha Ann and Nancy were sisters, these would be the parents of Nancy also.

The newspaper obituary of Martha Ann from the Brownstown Banner, April 4, 1923, reports her birth place as Rockcastle County, KY. and that she was the youngest daughter of a family of ten children, and that she moved from KY. to IN. in the spring of 1860.

The wording of Martha Ann's obituary creates some doubt about the exact order of birth of the ten children of Joseph and Nancy Chasteen Durham. If Martha Ann was the youngest daughter of ten children, could she have had younger brothers? Whatever the case, it would appear that Nancy would be just one step older than Martha Ann based on the fact that Nancy was b. ca. 1830 and Martha Ann in the spring of 1832,

Notes for REVEREND WILLIAM MARTIN "REVEREND" DURHAM:

From: "cindy" <clcrawford@prodigy.net>
To: "Darrell Miller" <dmiller655@fuse.net>

On the last census my 1818 William is on is the 1900 census. He is with his last wife, Sarah Scott Durham. It shows his birthday to be Sept 1819 and that he had been married 55 years and 13 years to Sarah. He lives right in the middle of his twin sons Thomas Jefferson Durham and William M. Durham.

On this census it says the William 1818 was born in Kentucky and his father born in North Carolina and his mother born in North Carolina. We know there is no 1890 census so I go to the 1880 census and find William with his 3rd wife MANERVA. It states William is 62 years old born in KY and his father born in Virginia and his mother born in Virginia. His daughter Nancy is at home age 25, his twin sons Thomas & William are 19 and son JOHN N. is 23, his daughter Letty is 16 and a grandson named SHERMAN BAKER is 13. Then moving to 1870 census William 1818 is 49 years old with Manerva who is 52 and he is listed as Minister of the Gospel. Children listed is Elizabeth 18, Nancy 16, Viley 14, John 12, William & Thomas 9, Lettie 7. The book I have only shows state of birth for 1818 William, not the parents. It shows Kentucky for William. I would like to know what the 1870 shows for his parents state of birth.. how can I find out?

Now on the 1860 census....he is listed as 38 years old born in KY, no parents information on birth state. He is with Letty is wife age 36, children are Green 12, Ann 10, Elizabeth 8, Elender (Nancy) 6, John 4. I don't know where Viley is on this census and John should be 2 years old not 4. Now on the 1850 census he is listed as 32 years old and wife is Elizabeth age 29. children are Mary 8, Matilda 6, Isaac 5, Green 1 and it states William 1818 was born in Kentucky. All the census are consistent with his being born in Kentucky but not where his parents were born.

The area identified as "Brush Creek" above later became known as "Crooked Creek". Reader should understand that this Brush Creek was located near to the mouth of Fletcher's Salt Peter mine. This is consistent with the story of William G Durham being hung in tree by rebels and later hiding out in the caves.

The New Hope United Baptist Church of Christ was organized in July of 1863. The original document was signed by William Durham, B. G. Chasteen, and Elias Makiddy, deacons. For the first twenty one years of it's existence, B. G. (DEM- Brightberry Green) Chasteen officiated as a church clerk. W.H. McGuire held the clerkship for 1884 and in 1885, W.C. (DEM- Wallace Clark) Chasteen was appointed to the position and held it until May of 1899, when it was taken over by Joseph Wilson.

Brother William Durham was New Hope's first pastor, and remained in that capacity

until Bro. Barnes was called in 1869. There several pastor's who served the church until 1921 when Bro. William Durham was chosen. The 1921 term could not have been filled by the same William Durham as who signed the charter. He was likely his grandson, son of Greenberry, born in 1875.

There is a family legend that he was caught by Confederate soldiers and left hanging in a tree without any clothes to die of exposure. They tried to get him to say he was a rebel and he would not say it. A doctor found him and cut him down and his wife Lettie brought him food for a long time as he hid out in a cave because he feared the soldiers would come return. He was known as "Black Bill" because of his dark complexion. He is thought to be buried in the Red Hill community near Livingston.

"My 1818 William was a Rev and so was his son and grandsons. He did die at Crooked Creek (old Brush Creek) and I have been to his grave site and have a photo of it too. I think it is on my web site...again...not sure. I also know that he was known as "Uncle Billy" and "Black Bill" due to his dark complexion and dark eyes and hair."

"As for the grave on the mountain top in the Cave Ridge area, I am 99.9% sure that this is my 1818 William. His headstone says Bill M. Durham and gives his birth date as 1823 died 1900. I now believe his middle name was "Martin" as I have some audio recordings of old Manley McGuire who died a while back stating this was his name. Also, my great grandfather's name was William M. Durham and Green B. Durham, (his brother) named his son William Martin Durham also. Another thing is that my grandfather's sister took care of this grave for many, many years. She put fence around it and it is listed as in the cemetery book for Rockcastle County. There are some field stones there also one of which is suppose to be his wife. The headstone for William 1818 was put on many years after his death by some of his great grandchildren. Luther Mullins who is now gone also is the old gentleman who took me there as he was also his great grandfather."

Now, according to Lynda Penton's record William T. (G.) Durham born 1809 died in March of 1880 and lists another wife as Elizabeth Williams.

Can anyone take this any further? I had never heard of the second wife, Elizabeth Williams. Also, if he died in 1880 then he cannot be the William G. Durham I have on the court record who died in 1900. Surely they would not wait 20 years for a settlement of an estate.

William Durham 1818 Update
March 5, 2001

The following compiled information is NOT a result of my own research. It represents the hard work of Cindy Crawford who already compiled the facts regarding William 1818 and sent me ALL the information and documents used in this update.

*I think the numbers on the censuses indicate how much land the person owned or what the land was worth. Please notice on the censuses:

1850 - 50

1860 - \$150

1870 - 500 1200 (a lot for those days in that area)

The William Durham in the 1840 census (below) is very probably William 1818.

1840 Rockcastle County, Kentucky census as follows:

William Durham - one male 20 to 30 - one female 20 to 30

*Speculating he married in 1840 or there about. He probably married his first wife (see below) in Rockcastle County. A fire destroyed many of the early Rockcastle records.

12th COURT CASE OF WILLIAM DURHAM VS CALLOWAY
MULLINS & WM REEVES 1876:

William testifies that he is about 57 years old, and a farmer of Rockcastle County, Kentucky. The case is about 50 acres that Calloway Mullins is trying to claim. Property is on Crooked Creek and runs into Polly Miller's land. William's son Green Durham testifies that his father bought the land when he (Green) was about 9 years old for \$50 in the form of a bay colored mare. Calloway does not get the land.

*The above is more evidence that William 1818 lived near Crooked Creek (Old Brush Creek).

Green Durham, who testified, is William 1818's son.

by John Lair.

NEW HOPE CHURCH

"New Hope United Baptist Church of Christ was organized on the first Saturday in July, 1863 in the old log school building which was used as both school and church house for a number of years. A part of the original document of organization has been destroyed but still visible are the signatures of the member of the "Presbytery" signing it. The signers were William Durham and Steven Carpenter, ministers and B.G. Chasteen and Elias Makiddy, Deacons."

*There is very strong evidence that the William Durham in the above church article is William 1818. New Hope Church is near Johnetta by Crooked Creek. According to the 1870 census William 1818 is the William that was a minister of the Gospel. And it is certain that he is also the William who lived near Crooked Creek.

*In the marriage book of Rockcastle County Kentucky, William Durham married many couples as minister. It is obvious that this is William 1818 because, in many cases, the witness or witnesses were William 1818's own children:

EXAMPLE: Boston Durham md. Ella Mullins

Witness: William Durham Jr.

"I have in front of me a death certificate for Joseph Durham born Oct 5, 1854 and died
March 20, 1934 in Boyle County. Parents are stated as "Billy" Durham and Eliza
Johnson Funeral Home listed is Stith Funeral Home in Danville, Kentucky. He was a
widower, died of Hypertensive heart. He was a farmer. His mother and father are
listed as being born in Kentucky."
Cindy Crawford

*This is just a few of the marriages performed by William Durham in the marriage
book. There are also marriages performed by William 1818's sons, John & Thomas.

Obituary from the July 6, 1900 Mt. Vernon Signal newspaper reads as follows:
"Old Uncle Billie Durham age 94 died at his home on Crooked Creek. He has been a
preacher and quiet citizen for many years."

*Although the age is wrong (possibly a typo in the paper), there is very strong
evidence that the above obituary is for William 1818, because he was the one who
lived near Crooked Creek, and he was the one who was a preacher.

*We have NO evidence that the other possibility (William G. 1809) was ever a
preacher or that he ever lived near Crooked Creek.

10th Rockcastle County Cemetery Book
There are two versions of William Durham's grave site, both ending in the same spot,
just a little different information.
"Old Bill Durham grave, new stone set in 1986 reads"
William Durham 1823-1900 (year of birth was taken from one census)
Other reads "Buried here are William Durham "Uncle Billy" and his wife who died
approx 75 years ago. They had a son William Jr. who is buried in Pine Hill Cemetery.
(This info is wrong, he is buried in Elmwood Cemetery behind his son Marion

Durham) William Durham grave on Durham Point in Cave Ridge community.

*Cave Ridge community is near Crooked Creek (Old Brush Creek).

From Cindy Crawford; [July 6, 2004]

Location: This cemetery is on Durham Point in Cave Ridge Community. Start at the intersection of Route #1004 and #1955, go northward on #1955 .3 mile to old ghost road on the left, park car at the house. The Cave Ridge Church once stood near where the barn north of the house now stands. Start walking pas the bar heading westward, keep to the high rough, you will reach a point of land and start to descend the hill. When the land widens to a long flat point, you will see the fieldstones if you look carefully. You may need a guide. The cemetery is about ½ mile from #1955

There is a remnant of an old fence.

Buried here are William Durham "Uncle Billy" and his wife who died approximately 75 years ago. They had a son Billy Durham Jr. who is buried at Pine Hill Cemetery ...field team located no stone in Pine Hill Cemetery.

Darrell the reason they didn't locate a stone is because he is in Mt Vernon in the city cemetery which I can't think of the name of it right now... yes I do have photos of old 1818 place of burial.

Family story also has it that William Durham b. 1818 was stripped of his clothes and hung upside down during the civil war by either the Union or Confederate soldiers and left in the weather. Two different versions of how he was rescued has come from family members. One says a doctor came along and the other says that soldiers cut him down. He was so frightened by this that he hid in a local cave, (Crooked Creek area) for weeks while his wife Letty brought him food and clothing because he thought they would return. There is a cave entrance up on the side of a mountain in the area where this happened. The story comes from Green Durham's descendants.

Another story goes that he was called "Black Bill" because his hair and skin and eyes were so dark from his Indian blood. His mother was supposed to be full blooded Cherokee and his father 1/4 Cherokee. At this time there is no evidence to support this, because we don't know exactly who his parents were.

** Is it possible that someone, somehow, mixed William 1818 up with William G. 1809 (who looks in his picture to be part Indian)??? There could have been two that fit the above description, but one can't help but wonder???

**And the evidence we have about possible Indian blood in the Durhams and their spouses doesn't indicate a mother who was full blooded Indian (maybe 1/2 or 1/4). The Durham father being 1/4 Indian is possible. It is a fact that a person can be 1/4 Indian and not look it (some do and some don't).

Court Case: Hardin Durham Jr. vs Hardin Durham Sr.'s Estate.

Hardin Jr. is trying to get his fathers land. This was a very long court case and many people testified.

*This case was typed on an old typewriter. There are numerous typos, words were spelled wrong and some numbers were also wrong. Cindy Crawford typed and posted them just as they were originally written.

*The Thomas Durham who testified (below) gives his age as 28. The Thomas Durham who was the son of William Durham 1818 (one of the twins) would have been 38 (born in 1861), as this case takes place in June of 1899.

*So far, no Thomas Durham with a birth year of 1871 has been found, so has been assumed that it should have been typed 38 instead of 28. This is probably true, but additional research seems to be needed (looking for another Thomas) before we can be sure.....

The deposition of Thomas Durham, taken at the residence of Mrs. Sue Mullins in Livingston, Ky on the 28th day of June 1899 by agreement of the parties to be read as evidence in behalf of the defendant in an action now pending in the Rockcastle Circuit court wherein Hardin Durham Jr is plaintiff and W.H. Carmichael, administrator, is defendant. After being duly sworn the witness deposed as follows:

"Also the only grave at the Old Bill Durham Grave, Rockcastle County, KY. is William Durham 1823-1900. New stone placed in the fall of 1996. "

Also; from book pub. 1992;

" Two graves at the Billy Durham Cemetery for William Durham "Uncle Billy" and wife who died approx. 75 years ago."

"Billy Jr. buried at Pine Hill Cemetery but no stone found."

Ok, my 1818 William lived right around the cave and his son 1861 William was the mail carrier for Mullins Station for many, many years.

My 1818 William had to belong to one of those Durham's living around there. my living ancestors swear his father was also William. I get so aggravated thinking about it.

I think there is a good possibility that this Manerva was Manerva Chasteen, b.1816 and daughter of Jesse Chasteen, 1795 and Levitet Flowers. Jesse was the son of James Chasteen and Nancy Canadey.

(NOT SURE ABOUT WILLIAM MARTIN AS SON OF JOSEPH", and died Aft. 1850 in On 1850 Laurel County, KY Census w/ son George.

Notes for NANCY CHASTEEN:
From Eldon E. Lawson, August 1991

Durham name research in Kentucky and Indiana, as well as Georgia, Tennessee and Virginia has been conducted to learn as much as possible about my genealogy descendancy from Mrs. John Lawson. (Nancy Durham) who was my great grandmother through my father's family line.

John Lawson was born near Macon, GA. Dec 23,1825. It appears that he was married in Kentucky about 1849-50 to Nancy Durham.

My grandfather, Abijah Lawson, (b. Sept. 15, 1859, Rockcastle County, KY.) was the seventh child of John and Nancy Durham Lawson. Abijah moved from Jackson County, IN. to Noaday County, MO. in 1889.

John Lawson had moved with his seven or eight children to Jackson County, IN. from Rockcastle County, KY.

sometime in the 1860's.

When Abijah left Indiana in 1889 it appears that his mother Nancy Durham Lawson had already passed away.

On Dec. 25, 1871, John Lawson married widow Marth Ann (Durham) bound in Jackson County, In. Family tradition records that Martha Ann was a younger sister of Nancy.

No death certificate has been found for Nancy Durham Lawson. She was born ca. 1830 in Rockcastle County, KY. She is interred in an unmarked grave in the remote Roundtop Cemetery near Medora in Jackson County, IN.

As of this date, we have not found a marriage record for John Lawson and Nancy Durham. We did find a birth record of 1859 Rockcastle County, KY. which listed the birth of my grandfather, Abijah Lawson, Sept. 15, 1859 and naming John Lawson the father and Nancy Durham, the mother.

Neither John Lawson or Nancy Durham have been identified in any census prior to 1860, nor in the 1870 census.

The John Lawson family is listed in the 1860 Rockcastle County census. They appear with the names of seven children. Our records had previously identified all of these but one, that was Lydia who was about four years of age. At this time we have assumed that Lydia died prior to the families move to Indiana. Further identification is difficult because we have not found the John Lawson family in the 1870 census. He is in the 1880 census, in Jackson County, In. and is listed with his second wife, Martha Ann, and his daughter Elizabeth, who was never married, and three sons, Abijah, William, who was born in Rockcastle Co. Mar. 15, 1862, and John M. b. May 5, 1873 of his second wife, Martha Ann.

A death certificate of Martha Ann (Durham) Lawson is on record in Jackson County, IN. She was born Mar. 10, 1832 in Rockcastle County, KY. and died Mar. 29, 1923 in Jackson County, IN. near Medora, at age 91. She is interred alongside John Lawson in Brown Cemetery, about four miles from Medora. John Mack Lawson, b. May 5, 1873, died Jan. 13, 1941, was her only child. John lived his entire life near Medora.

***** Martha's death certificate names her parents as Joseph Durham and Nancy Chasteen, both born KY. Assuming that Martha Ann and Nancy were sisters, these would be the parents of Nancy also.

The newspaper obituary of Martha Ann from the Brownstown Banner, April 4, 1923, reports her birth place as Rockcastle County, KY. and that she was the youngest daughter of a family of ten children, and that she moved from KY. to IN. in the spring of 1860.

The wording of Martha Ann's obituary creates some doubt about the exact order of birth of the ten children of Joseph and Nancy Chasteen Durham. If Martha Ann was the youngest daughter of ten children, could she have had younger brothers? Whatever the case, it would appear that Nancy would be just one step older than Martha Ann based on the fact that Nancy was b. ca. 1830 and Martha Ann in the spring of 1832, (Mar. 10.)

,
Notes for JOSEPH DURHAM:

Joseph Durham married MRS ELIZABETH (nee Chasteen) ADAMS on 15 Nov 1813 the Bondsman was Josiah HARDIN.

Elizabeth Chasteen was married first to Nathan Adams,

A death certificate of Martha Ann (Durham) Lawson is on record in Jackson County, IN. She was born Mar. 10,

1832 in Rockcastle County, KY. and died Mar. 29, 1923 in Jackson County, IN. near Medora, at age 91. She is interred alongside John Lawson in Brown Cemetery, about four miles from Medora. Hello Joe,

I hope you and yours had a wonderful Christmas Holiday.

I sent away for the Death Certificate of Elizabeth Chasteen Tankersley. It arrived in the mail today, and it seems to confirm what I suspected about her. It states that her father was Jessie Chastine and mother was Violet Flowers. Every Family Group sheet that I have ever seen had her listed as the daughter of John Chasteen and Elizabeth Hardin. I guess this has been perpetuated over the years until there was little question of its validity. It has been several months now, so I can't recall exactly what triggered me to doubt her parentage. It may have been something in the Pension File of her son. But I sent away for it around Halloween. It looks as if we have located another child of Jesse and Levilet Flowers Chasteen. I can't believe that everyone had this incorrect! Some of the people had both of her dates correct, but her parents are wrong. I don't know if it is because they have taken her dates from her gravestone, or they had the Death Cert. and just disregarded the information. Either way, it seems that one more piece of the puzzle has been fitted.

I am beginning to wonder if John Chasteen and Elizabeth Hardin had any children at all! I think Brightberry Chasteen is most definitely their child. But I can't be sure about the others. What do you think?

I never did hear from the folks you were referring me to. I guess they got busy with the Holidays and all.

I look forward to hearing what you think about the children of John and Elizabeth Chasteen.

Sincerely,
Dave Chasteen

Don't know if the follow works or not, posted it to keep on hand.

Does anyone have a Melvin Hardin in his or her records? This man was born after 1860 and has ties to Hendricks County, Indiana. He possibly may have been in Ohio, Illinois, Kansas, or Iowa. (Is that vague or what?) His father may have been James T. Hardin who was born in 1839 in (Madison County?) Kentucky.

I can find some information on this individual, but I'm trying to find descendants. He would be my only male link if I wanted to find males who could participate in the DNA study.

Here is information I have gathered:

Melvin Hardin married Mabel McFarland on Aug 28 1892 in Hendricks Co., IN
OR

Melvin R. Hardin, b. Sep 1871, IN, married Nancy Jeannette/Netta Harkless on 12 Mar 1896 in Adams County, IN

Hello Joe,

I hope you and yours had a wonderful Christmas Holiday.

I sent away for the Death Certificate of Elizabeth Chasteen Tankersley. It arrived in the mail today, and it seems to confirm what I suspected about her. It states that her father was Jessie Chastine and mother was Violet Flowers. Every Family Group sheet that I have ever seen had her listed as the daughter of John Chasteen and Elizabeth Hardin. I guess this has been perpetuated over the years until there was little question of its validity. It has been several months now, so I can't recall exactly what triggered me to doubt her parentage. It may have been something in the Pension File of her son. But I sent away for it around Halloween. It looks as if we have located another child of Jesse and Levilet Flowers Chasteen. I can't believe that everyone had this incorrect! Some of the people had both of her dates correct, but her parents are wrong. I don't know if it is because they have taken her dates from her gravestone, or they had the Death Cert. and just disregarded the information. Either way, it seems

that one more piece of the puzzle has been fitted.

I am beginning to wonder if John Chasteen and Elizabeth Hardin had any children at all! I think Brightberry Chasteen is most definitely their child. But I can't be sure about the others. What do you think?

I never did hear from the folks you were referring me to. I guess they got busy with the Holidays and all.

I look forward to hearing what you think about the children of John and Elizabeth Chasteen.

Sincerely,
Dave Chasteen

He was born Bet. 1812 - 1813 in Estill County, Ky. (Station Camp and Crooked Creek), and died Aft. 1880 in Rockcastle County, KY. (on 1880 Census hh #88, name spelled Muller).

Notes for RICHARD MILLER:

Richard has not been easy to research. I think most records where he would be found were lost in the MT. Vernon courthouse fire in the 1890's. See the notes for his father Thomas for Estill county records.

From "Rockcastle County and It's People, 1992" page 34.

Clear Creek Baptist Church- "The Clear Creek Missionary Baptist Church is located on Clear Creek near the old Disputanta post office. The Church was organized in 1898. The following members constituted the original church, James Cain, (Husband of Lucinda Miller), B. B. Chasteen, James Chasteen, James Cope, Hannah J Gadd, Abe Isaacs, Carrol Martin, Dicey Martin, Sarah Martin, Clay Miller, Margaret "Maggie" Miller, Mary Miller, Travis Miller, Lydia Loman, Louis R. Rowlette and Nannie M. Young and Walter Gadd."

The above Miller's are mainly the children of Richard Miller and Sarah Durham.

I believe Richard named his first born Irvine after Christopher Irvine Miller, born to Daniel Miller and Susannah Woods, Dec. 20, 1813. Irvine lived in Madison County as a blacksmith. Made the finest farming tools of the time and know for his creation of the "Miller Plow". I think the city of Irvine was also named for Christopher Irvine Miller. He (Cristopher Irvine) was buried (Oct. 1878) in the front of the residence owned by the late Elder John M Park. Note; Thomas Miller and Patience West Miller sold their Station Camp property to Solomon B. Park on Sept.1,1835. Book F, pg143.

On the 1880 Rockcastle Census, Richard is found with his surname spelled "Muller"??? Is this on purpose or just a fluke???

On the last census my 1818 William is on is the 1900 census. He is with his last wife, Sarah Scott Durham. It shows his birthday to be Sept 1819 and that he had been married 55 years and 13 years to Sarah. He lives right in the middle of his twin sons Thomas Jefferson Durham and William M. Durham.

On this census it says the William 1818 was born in Kentucky and his father born in North Carolina and his mother born in North Carolina. We know there is no 1890 census so I go to the 1880 census and find William with his 3rd wife MANERVA. It states William is 62 years old born in KY and his father born in Virginia and his mother born in Virginia. His daughter Nancy is at home age 25, his twin sons Thomas & William are 19 and son JOHN N. is 23, his daughter Letty is 16 and a grandson named SHERMAN BAKER is 13. Then moving to 1870 census William 1818 is 49 years old with Manerva who is 52 and he is listed as Minister of the Gospel. Children listed is Elizabeth 18, Nancy 16, Viley 14, John 12, William & Thomas 9, Lettie 7. The book I have only shows state of birth for 1818 William, not the parents. It shows Kentucky for William. I would like to know what the 1870 shows for his parents state of birth.. how can I find out?

Now on the 1860 census....he is listed as 38 years old born in KY, no parents information on birth state. He is with Letty is wife age 36, children are Green 12, Ann 10, Elizabeth 8, Elender (Nancy) 6, John 4. I don't know where Viley is on this census and John should be 2 years old not 4. Now on the 1850 census he is listed as 32 years old and wife is Elizabeth age 29. children are Mary 8, Matilda 6, Isaac 5, Green 1 and it states William 1818 was born in Kentucky. All the census are consistent with his being born in Kentucky but not where his parents were born.

Pleasant Run Missionary Baptist Church, was organized on November 2, 1820, at the home of John O'Neal on Brush Creek, In Madison County, with eight constituent members, James and Nancy (Canadey) Chasteen, William Hardin, William, Nancy, Sarah Durham, Elijah (Jules) Giles, and Sarah Jackson.

*** **

(DEM- The William, Nancy, and Sarah Durham have not been positively identified as yet, Feb. 2001.

The area identified as "Brush Creek" above later became known as "Crooked Creek". Reader should understand that this Brush Creek was located near to the mouth of Fletcher's Salt Peter mine. This is consistant with the story of Willim G Durham being hung in tree by rebels and later hiding out in the caves.

*** **

The New Hope United Baptist Church of Christ was organized in July of 1863. The original document was signed by William Durham, B. G. Chasteen, and Elias Makiddy, deacons. For the first twenty one years of it's existence, B. G. (DEM- Brightberry Green) Chasteen officiated as a church clerk. W.H. McGuire held the clerkship for 1884 and in 1885, W.C. (DEM- Wallace Clark) Chasteen was appointed to the position and held it until May of 1899, when it was taken over by Joseph Wilson.

Brother William Durham was New Hope's first pastor, and remained in that capacity until Bro. Barnes was called in 1869. There several pastor's who served the church until 1921 when Bro. William Durham was chosen. The 1921 term could not have been filled by the same William Durham as who signed the charter. He was likely his grandson, son of Greenberry, born in 1875.

There is a family legend that he was caught by Confederate soldiers and left hanging in a tree without any clothes to die of exposure. They tried to get him to say he was a rebel and he would not say it. A doctor found him and cut him down and his wife Lettie brought him food for a long time as he hid out in a cave because he feared the soldiers would come return. He was known as "Black Bill" because of his dark complexion. He is thought to be buried in the Red Hill community near Livingston.

"My 1818 William was a Rev and so was his son and grandsons. He did die at Crooked Creek (old Brush Creek) and I have been to his grave site and have a photo of it too. I think it is on my web site...again...not sure. I also know that he was known as "Uncle Billy" and "Black Bill" due to his dark complexion and dark eyes and hair."

May 28,2001

"As for the grave on the mountain top in the Cave Ridge area, I am 99.9% sure that this is my 1818 William. His headstone says Bill M. Durham and gives his birth date as 1823 died 1900. I now believe his middle name was "Martin" as I have some audio recordings of old Manley McGuire who died a while back stating this was his name. Also, my great grandfather's name was William M. Durham and Green B. Durham, (his brother) named his son William Martin Durham also. Another thing is that my grandfather's sister took care of this grave for many, many years. She put fence around it and it is listed as in the cemetery book for Rockcastle County. There are some field stones there also one of which is suppose to be his wife. The headstone for William 1818 was put on many years after his death by some of his great grandchildren. Luther Mullins who is now gone also is the old gentleman who took me there as he was also his great grandfather."

Now, according to Lynda Penton's record William T. (G.) Durham born 1809 died in March of 1880 and lists another wife as Elizabeth Williams.

Can anyone take this any further? I had never heard of the second wife, Elizabeth Williams. Also, if he died in 1880 then he cannot be the William G. Durham I have on the court record who died in 1900. Surely they would not wait 20 years for a settlement of an estate.

12th COURT CASE OF WILLIAM DURHAM VS CALLOWAY
MULLINS & WM REEVES 1876:

William testifies that he is about 57 years old, and a farmer of Rockcastle County, Kentucky. The case is about 50 acres that Calloway Mullins is trying to claim. Property is on Crooked Creek and runs into Polly Miller's land. William's son Green Durham testifies that his father bought the land when he (Green) was about 9 years old for \$50 in the form of a bay colored mare. Calloway does not get the land.

*The above is more evidence that William 1818 lived near Crooked Creek (Old Brush Creek).
Green Durham, who testified, is William 1818's son.

NEW HOPE CHURCH

"New Hope United Baptist Church of Christ was organized on the first Saturday in July, 1863 in the old log school building which was used as both school and church house for a number of years. A part of the original document of organization has been destroyed but still visible are the signatures of the member of the "Presbytery" signing it. The signers were William Durham and Steven Carpenter, ministers and B.G. Chasteen and Elias Makiddy, Deacons."

***There is very strong evidence that the William Durham in the above church article is William 1818. New Hope Church is near Johnetta by Crooked Creek. According to the 1870 census William 1818 is the William that was a minister of the Gospel. And it is certain that he is also the William who lived near Crooked Creek.**

***In the marriage book of Rockcastle County Kentucky, William Durham married many couples as minister. It is obvious that this is William 1818 because, in many cases, the witness or witnesses were William 1818's own children:**

His mother and father are listed as being born in Kentucky."

***This is just a few of the marriages performed by William Durham in the marriage book. There are also marriages performed by William 1818's sons, John & Thomas.**

Obituary from the July 6, 1900 Mt. Vernon Signal newspaper reads as follows:

"Old Uncle Billie Durham age 94 died at his home on Crooked Creek. He has been a preacher and quiet citizen for many years."

***Although the age is wrong (possibly a typo in the paper), there is very strong evidence that the above obituary is for William 1818, because he was the one who lived near Crooked Creek, and he was the one who was a preacher.**

***We have NO evidence that the other possibility (William G. 1809) was ever a preacher or that he ever lived near Crooked Creek.**

10th Rockcastle County Cemetery Book

There are two versions of William Durham's grave site, both ending in the same spot, just a little different information.

"Old Bill Durham grave, new stone set in 1986 reads"

William Durham 1823-1900 (year of birth was taken from one census)

Other reads "Buried here are William Durham "Uncle Billy" and his wife who died approx 75 years ago. They had a son William Jr. who is buried in Pine Hill Cemetery. (This info is wrong, he is buried in Elmwood Cemetery behind his son Marion Durham) William Durham grave on Durham Point in Cave Ridge community.

***Cave Ridge community is near Crooked Creek (Old Brush Creek).**

From Cindy Crawford; [July 6, 2004]

Location: This cemetery is on Durham Point in Cave Ridge Community. Start at the intersection of Route #1004 and #1955, go northward on #1955 .3 mile to old ghost road on the left, park car at the house. The Cave Ridge Church once stood near where the barn north of the house now stands. Start walking pas the bar heading westward, keep to the high rough, you will reach a point of land and start to descend the hill. When the land widens to a long flat point, you will see the fieldstones if you look carefully. You may need a guide. The cemetery is about 1/2 mile from #1955

There is a remnant of an old fence.

Buried here are William Durham "Uncle Billy" and his wife who died approximately 75 years ago. They had a son Billy Durham Jr. who is buried at Pine Hill Cemetery ...field team located no stone in Pine Hill Cemetery.

Darrell the reason they didn't locate a stone is because he is in Mt Vernon in the city cemetery which I can't think of the name of it right now... yes I do have photos of old 1818 place of burial.

Family story also has it that William Durham b. 1818 was stripped of his clothes and hung upside down during the civil war by either the Union or Confederate soldiers and left in the weather. Two different versions of how he was rescued have come from family members. One says a doctor came along and the other says that soldiers cut him down. He was so frightened by this that he hid in a local cave, (Crooked Creek area) for weeks while his wife Letty brought him food and clothing because he thought they would return. There is a cave entrance up on the side of a mountain in the area where this happened. The story comes from Green Durham's descendants.

Another story goes that he was called "Black Bill" because his hair and skin and eyes were so dark from his Indian blood. His mother was supposed to be full blooded Cherokee and his father 1/4 Cherokee. At this time there is no

evidence to support this, because we don't know exactly who his parents were.

**** Is it possible that someone, somehow, mixed William 1818 up with William G. 1809 (who looks in his picture to be part Indian)???** There could have been two that fit the above description, but one can't help but wonder???

****And the evidence we have about possible Indian blood in the Durhams and their spouses doesn't indicate a mother who was full blooded Indian (maybe 1/2 or 1/4). The Durham father being 1/4 Indian is possible. It is a fact that a person can be 1/4 Indian and not look it (some do and some don't).**

Court Case: Hardin Durham Jr. vs Hardin Durham Sr.'s Estate.

Hardin Jr. is trying to get his fathers land. This was a very long court case and many people testified.

***This case was typed on an old typewriter. There are numerous typos, words were spelled wrong and some numbers were also wrong. Cindy Crawford typed and posted them just as they were originally written.**

***The Thomas Durham who testified (below) gives his age as 28. The Thomas Durham who was the son of William Durham 1818 (one of the twins) would have been 38 (born in 1861), as this case takes place in June of 1899.**

***So far, no Thomas Durham with a birth year of 1871 has been found, so has been assumed that it should have been typed 38 instead of 28. This is probably true, but additional research seems to be needed (looking for another Thomas) before we can be sure.....**

The deposition of Thomas Durham, taken at the residence of Mrs. Sue Mullins in Livingston, Ky on the 28th day of June 1899 by agreement of the parties to be read as evidence in behalf of the defendant in an action now pending in the Rockcastle Circuit court wherein Hardin Durham Jr is plaintiff and W.H. I have a death certificate of John Hardin Durham, Jackson Co IN. b. 27 Apr 1862 Rockcastle Co KY, d, 2 Sept. 1943, resident of Seymour, IN. Wife; Annabelle Waterbury. Parents; Unknown. From other sources, He married 1st. Eliza Ellen Trueblood, 15 Oct 1877, Jackson Co IN. 2d mar. to Anna B. Robinson 22 Oct, 1925. John Hardin Durham's father: George Durham, mother: Hulda Baker. I've not found a George Durham in Rockcastle records of age to be father of John Hardin Durham. Eldon E. Lawson.

The Wm in HH# 571 Would be the one married to Judith Hardin born ca 1790.

(7) I have the birth year of George Durham as about 1830, the same George Durham that married Huldah Baker about 1851 and was in the 1860 Jackson County IN census. In the 1860 census there were 5 children all born KY. They had at least one more, John Harden Durham, born 22 Apr 1862, death certificate KY, but he was probably born Indiana. By 1870, three of the children were living with families that I didn't see a Durham relationship. I never found the other three children or George and Huldah. John H Durham died 1943 in Jackson County after two marriages and two children.

Darrell

Like many of the Durham Family mysteries/trails there is no clear picture. While I don't look at census ages as necessarily accurate in some cases that is all that can be found. A George Durham of this era is not found on the following census, but a George Durham is in Jackson County IN for the 1860 census with 5 children birth years commencing abt 1852. All listed as born KY. He is in H/H 733, at H/H 732 is Samuel Owens married to Julia Ann Durham, Joseph of 1818 daughter. At H/H 731 is William Croucher with Martha Durham age 23, listed. After this census I haven't found a George or Huldah Durham group anywhere, but in the Jackson county 1870 census I find some of the children living in other families:

"In 1870 Carr, Jackson Census I find Sherrod (Sheridan) Durham age 17 born KY in H/H of Elizabeth Gallion age 77 TN, others in house are Lucy Gallion, age 56 TN, Catherine Gallion, age 44 TN, Sarah Gallion age 40 IN, John Gallion 37 IN, and Angeline, 34 IN. Next door is B John Durham, age 8 IN in H/H of Anise Weddle, 53 TN, Eliza, 55 TN, Lucy 49 TN, and Fannie 45 TN. Margaret Durham, age 13 IN is in H/H of John Matlock, age 25 IN as a servant".

The Huldah Baker comes from listing on John Harden Durham death certificate that I believe Fannie Hollen provided me the information. Fannie is a descendant of John Hardin Durham, 1842. Attached is my John Harden Durham file.

Notes for NANCY DURHAM:

Neither John Lawson or Nancy Durham have been identified in any census prior to 1860, nor in the 1870 census.

The John Lawson family is listed in the 1860 Rockcastle County census. They appear with the names of seven children. Our records had previously identified all of these but one, that was Lydia who was about four years of age. At this time we have assumed that Lydia died prior to the families move to Indiana. Further identification is difficult because we have not found the John Lawson family in the 1870 census. He is in the 1880 census, in Jackson County, In. and is listed with his second wife, Martha Ann, and his daughter Elizabeth, who was never married, and three sons, Abijah, William, who was born in Rockcastle Co. Mar. 15, 1862, and John M. b. May 5, 1873 of his second wife, Martha Ann.

This compiler (Darrell Miller) sent Mr Eldon E Lawson a note explaining my interest in the children of Joseph and Nancy Durham as I believe my Sarah Durham to also be the daughter of Joseph Durham. He has responded with copies and details of the death obituaries of John Lawson and Martha Durham plus some family sheets in which I am most greatful. The following is from that collection;

Seymour, Indiana, Daily Democrat, Sat., June 10, 1899

OBITUARY- "John Lawson, aged 74 years, died at his home near Sparksville this morning. He was one of the old settlers of that section of the county. The message notifying his daughter, Mrs. Enock Baughman, of his death did not state the cause, but it is supposed to have resulted from infirmities of old age."

Hi Darrell:

I have a quick Chasteen update for you and George. Please pass along to him. My g grandfather, Lorenzo Brightberry Chasteen, had a marriage not documented. I do not know the exact date, but he had two children with his first wife Nellie Elizabeth Monahan daughter of William Monahan/Mary Ann Clark.

From Charlie Owens:

Documentation for Brightberry's marriage to Nellie Monahan has not been found, however, a death certificate for Addie Mae Chasteen, born 1884, shows her parents as Bright Chasteen and Nellie Monahan. Apparently Nellie died soon after the birth of their second child, Susie, in 1886. Susie died in 1899 and is buried in Johnetta Cemetery, Rockcastle Co., KY.

**Notes for ABRAHAM B "ABE" CHASTEEN:
From Cindy Crawford May 4, 2005
Personals of the paper; Mt Vernon Signal;**

January 2, 1914, Abraham shot a man by the name of Hampton near Wildie inflicting a serious wound. He surrendered and went to jail pending a grand jury hearing.

Feb. 26, 1915, he is given 2 years in the State Pen by Madison County Jury at Richmond, for shooting and wounding two Richmond policemen.

July 5, 1918 -"Abe Chasteen was brutally murdered at his home near Mullins Station last Sunday night. He was supposed to have been in bed asleep when one or more persons entered his home and fired a shot into the back of his head, causing death instantly. His body was then carried and dropped into a deep well a short distance from the house where he was found Tuesday. The clothes he had on when murdered were cut off of him and other clothes put on him. The bed and clothes covered with blood were found where they had been dumped over a high cliff some distance from the house.

Chasteen was a bad character, and had had considerable trouble with his family, who had not themselves been living as they should and suspicion at once led to the arrest of his wife, son and daughter who are now in jail charging them with the horrible crime."

July 19, 1918- Margaret Ellen Chasteen and son, Harry Chasteen, charged with murder of her husband, Abe Chasteen were held over by Magistrate Freeman Ketron in the sum of \$500 each which they gave.

The New Hope United Baptist Church of Christ was organized in July of 1863. The original document was signed by William Durham, Brightberry Gentry Chasteen, and Elias Makiddy, deacons. Chasteen was appointed to the position and held it until May of 1899, when it was taken over by Joseph

57. JEMIMA¹⁰ HARDIN (*JOHN ALLEN⁹, MARY SUSAN "POLLY"⁸ CHASTEEN, JAMES "RWS"⁷, ISAAC⁶, RENE SR.⁵, PIERRE "PETER"⁴, RENE JR.³, RENE SR.², FRANCOIS¹ CHASTAIN*) was born Abt. 1849 in Clear Creek, Rockcastle County, KY.. She married BRADDOCK BAKER, son of WANSLEY BAKER and JANI CHASTEEN. He was born May 1842.

Notes for BRADDOCK BAKER:

My gggGrandparents were born and lived almost their lives in northern Rockcastle County. In researching them and their ancestry the name Chasteen appears with regularity.

My gggGrandfather BRADDOCK BAKER was born in May 1842 in Rockcastle County. His death certificate lists his parents as WANSLEY BAKER and JANI E. CHASTEEN. I have not been able to find anything out on Jani [Jennie? Janie?] E. Chasteen. The only clues I have are that she appears to have died before the 1850 census. In that census Wansley and his son Braddock are living with a Braddock and Susan Baker (I presume these are Wansley's parents). I was wondering if you have any clues about this lady JANI CHASTEEN. Her husband, Wansley Baker, was born in about 1818. (He is also mysterious - can find no trace of him in the 1860 census or of his son Braddock. Braddock reappears in 1870 and beyond but Wansley disappears.).

BRADDOCK BAKER married my gggGrandmother JEMIMA HARDIN born Feb1850. From her death certificate I know that Jemima is the daughter of JOHN ALAN HARDIN and MARY ADAMS. From information posted on the internet I see that John Alan Hardin is supposed to be the son of JAMES HARDIN and MARY SUSAN CHASTEEN. If I understand all I've seen correctly, this Mary Susan Chasteen is the daughter of JAMES CHASTEEN and NANCY KENNEDY. I would be very happy if you could provide some more information about these Chasteens and their marriages with the Hardins! Also, are these Chasteens related to JANI CHASTEEN, mother of BRADDOCK BAKER or is she from another line??

We have obtained the civil war pension records of BRADDOCK BAKER. The CHASTEEN name also appears here:

On 25 Sept 1889, JOHN CHASTEEN, age 66, of Disputanta PO, Rockcastle Co., Kentucky, provided an affidavit on behalf of Braddock Baker stating that he had known BB since 1860 and lived within 2 miles of him and saw him about once a week and had worked with him, and that Braddock was about ½ disabled for manual labor since the war due to "bad color, very weak and nervous shifting of blood and partial loss of voice"

On 27 Apr 1894, JOHN CHASTEEN (same as one above?), of Disputanta PO, Rockcastle Co, KY provided an affidavit on behalf of Braddock Baker stating that he had known BB since about 1865 and had seen him about twice a month since then and that BB was suffering with weak lungs and a bad cough each year...

On 4 Nov 1912, WALLACE CHASTEEN, age 67 years, of Johnetta, KY, provided an affidavit on behalf of widow Jemima Baker, stating that he had known Jemima and Braddock since before they were of marriageable age and knew that they were married to each other on the 12th of October 1868 by Rev. Wm. Durham, and that he was an eye witness to their marriage. (Jemima and Braddock's marriage records had been destroyed in the courthouse fire)

BRADDOCK BAKER died 23 Jul 1912. The ubiquitous Chasteen's make an appearance on his death certificate. The undertaker was BRIGHT CHASTEEN of Goochland, KY. The Registrar for the death certificate was S. CHASTEEN (signed 24 Jul 1912).

So in summary, I'm hoping you might know about my mystery Chasteen - Jani Chasteen, wife of Wansley Baker and mother of Braddock Baker. Also I wonder if you can confirm that James Hardin's wife Mary Chasteen is indeed the daughter of James Chasteen and Nancy Kennedy. And I would love to learn more about these and the other Chasteens - how they relate to the Hardin line and to each other!

Sincerely,

Bonnie Stout

I am seeking information of Thomas Coffey, b Dec 1880 in Rockcastle County, KY. He was born out of wedlock, but his death certificate lists his parents as Isaac Coffey and Lizzie (Elizabeth A.) Roberts.

Apparently Thomas was adopted when his mom married William Gadd. In the 1900 census of Rockcastle Co, KY, he is listed as Thomas C. Coffey, son.

About 1901, he married Margaret Chasteen, but used the Coffey surname.

He died in 1934 in Indiana.

Mary Lize and Gus lived near daddy and his family in Middleton, a rural community of Berea. Daddy's family moved to Berea from Disputanta when daddy was about 7.

(Darrell's note: Daddy was Robert Croucher born 1905 and married to Mollie Chasteen]

Mollie was the last to die, I went to her funeral. Aunt Nannie lived close to us also later in life. I used to rake her apples from our orchard. I wish I had talked to her more when I was a child. We still need the info on Mary Coffey and this Nancy who was married to John."

Notes for JOHN ROBERT COPE:

Ophelia Anglin was the daughter of Robert (Bob) & Cordelia Cope Anglin. Cordelia was Grandpa John Cope's sister. Bob Anglin was son of John Allen Anglin. Bob married Cordelia and they had Glatha (Married William N Chasteen) Samantha (Married a Lunsford) Ophelia, Benjamin (106 this past May in Nursing home in Brodhead. Cordelia died from complications of Benny's birth. On her deathbed she made her sister Frances Emily promise to marry Bob and rear her children. Cordelia died June 1897 and bob married Emily Sept. 1897. They had Cordelia and James. Bob was killed in Feb 1900 in a horse and wagon accident, he was pinned between a fallen tree and the wagon and suffered a broken neck. Emily died about 1905 and Great Grandpa Orville and Melissa Cope reared the children. I really don't know much about John D. except he had 8 brothers and they were all musicians. He died about 1939 after he and Ophelia had 13 children. I can remember going to visit Ophelia when I was very little. She lived out the other side of Climax toward Crews Ridge. I'll attach a photo of John and his brothers taken in early 1900s. Left to right they are: Oscar, Hoburt, McKinley, Chester, Charlie, John D., Jimmy, George and Willie. By the way, Benny Anglin still owns the Old Cope Homeplace In Todd Hollow that Mary and I were talking about. Before Orville died he deeded the place to Uncle George, Uncle Jess and Benny. Mary, as you heard, said George and Jess sold out to Bennie. This is where all the Cope children except Grandpa John and Sarah were born and reared. John and Sarah were borned in Hancock County TN. The house Bennie built is still standing but is in really bad shape.

Notes for ELIZABETH MILLER:

Elizabeth lived with Maggie and James Cope in a log cabin in Cope Hollow. per Mary Cope (1999). Edward had gone to Ohio with Frank and his two sons. People had wondered why Edward and Elizabeth were split up. This is my theory, Edward suffered from bad eyes and lungs, much the same as S.M. Shearer. I think this was from the black powder and firing of cannon in the Civil War. Ohio provided a better opportunity for treatment. Alice Miller, daughter in-law of Edward, was a small women in stature, but a strong woman in what she wanted. We think she felt she could not handle both Edward and Elizabeth as she was not well herself. I also think Elizabeth didn't like Ohio and wanted to stay home. She lived in Morrell, Jackson County, for a time. Haven't figured out if she had people there.

When Elizabeth died, Mary Cope helped to dress the body for the wake.(We have never been able to find the date of death, nor find the record in the KY. death index.) Mary Cope remembers it was in the fall of 1930, most likely September, because of the age of one of Mary's children at the time.

Notes for MASON L. MILLER:

Mason L. Miller was my fathers uncle. I can remember visiting him in about 1947 or 48. They were very poor people. We had to walk up a dry creek bed to get to the house.

September, 1998

Charlene and I visited Scaffold Cane area and found a gentleman named John King who owns three of the old Miller places. Edward's, Mason's and another which might be Travis's..

Mr. King told me that Mason would not pay his property tax and the county took the property, sold it at sherriff's sale. Mason refused to leave and the new owner burned the house down. Mason placed long boards against the chimney, like a lean to, and lived under them . It was winter time and neighbors brought him food. He eventually went to live with James Cope and Maggie until his death.

Mason was a strong willed person to say the least.

From Cindy Durham Crawford:

"Green Durham who married Mary Elizabeth Anglin is the son of William 1818.

His daughter Letty is named after his sister. I have a photo of Green, Mary Elizabeth and Letty. Green died in Arkansas after 1910 and does not show up on the 1920 census. I have a photo of his grave, on his property in Arakansas. There is no death record filed in Arkansas.

His wife, Mary Elizabeth Anglin was taken across the state line an buried in Oklahoma and not by her husband Green.

The photos and information comes from Greens great grandson Luther Mullins who lives in Rockcastle County. "

She met EVANS SINGLETON MULLINS.

Notes for NANCY "ELLENDER" DURHAM:

Source: Cindy Durham Crawford

Green Durham's sister Nancy who was born in 1854 was never married.....a birth cert for one of her children shows William Durham as father....this is not correct. I assume she used her father or brother's name as it was illegal at that time to have a child out of wedlock. She had 3 sons, all by different fathers, John Thomas should have been an Evans but went by Durham, Frank who should have been a Singleton but went by Durham and Ulysis who should have been a Mullins.

December 1, 1909, the following Presbytery, A. J. Ballinger, J. R. Ballinger, William M. (Martin) Durham from New Hope, H. L. Ponder, Union, and T. J. Durham from Pleasant Run met at Cave Ridge school house and examined the letters of ten persons, also examined the faith and doctrines of these persons, for the purpose of organizing them into a Missionary Baptist Church. After full and complete examination the Presbytery ordered that this be a duly constituted Missionary Baptist church.

The church proceeded to organize by being named Cave Ridge Missionary Baptist Church. Elder T.J. Durham was chosen Pastor, John N. Durham Clerk, W.M. Barnett Deacon.

Elder T.J. Durham was Pastor from 1909 to 1913, Elder H.L. Ponder Pastor from 1914-1918, Elder D. Parker has been Pastor till present date. T.L. Morris Deacon.

The present membership is sixty-three. We have had many cold winters but the Lord has blessed us with warm seasons and prospered us with the success of our own house of worship.

We are weak, but we try to stand firm in the faith once delivered to the Saints.

D. Parker, Pastor

Notes for JOHN HARDIN DURHAM:

John Harden Durham (From Gene Martin - 2007)

The following is a family tree for John Harden Durham, born 22 April 1862 in Jackson County IN and died 2 Sep 1943 in Jackson County Indiana. The data in this tree is speculative, with data used from many sources and assumptions made with less than substantiated data.

Generation # 1.

Joseph Durham, born abt 1785 VA, died unknown + Nancy Chasteen, born abt 1787 Ablemarle County VA, died unknown, married probably in Madison or Rockcastle County, KY.

Generation #2

George Durham, born abt 1829 Rockcastle County, died unknown + Hulda Baker. I have found nothing on Hulda Baker. Marriage was likely about 1851 and not in Rockcastle County.

Generation #3

John Harden (maybe Hardin?) Durham, born 22 April 1862 Jackson County, died 2 Sep 1943 Jackson County Indiana + (1) Mary E Beeker, born abt 1864, died 23 Jan 1919 Jackson County, Indiana on 21 May 1885 Jackson County Indiana. They had children: Fannie Bell Durham, born 2 Nov 1887 Jackson County; and Frances Durham born 9 Sep 1890. John Harden and Mary E divorced abt 1892; and Mary E remarried to Gasper Weddle on 20 May 1893 Jackson County. John married (2) Annabelle Waterbury, born 5 Aug 1866, died 22 Jan 1945 Jackson County, IN.

Generation #4

John Harden + Mary E Beeker two daughters: Fannie Belle, born 2 Nov 1887 Jackson County, died Feb 1977 Jackson County married James Henry Lawson 15 May 1911 Jackson County. James Henry Lawson was grandson of Nancy Durham, sister of George Durham. Second daughter of John Harden + Mary E was Frances, born 9 Sep 1890 Jackson County, died 1981. Frances married John L Durham, born 21 Jan 1889, died 21 May 1915 Jackson County. Marriage was 3 Nov 1911 Jackson County, they had children: Medford T, born 11 Jun 1912 Jackson County; Irvin Eugene, born 19 Aug 1914 Jackson County; and John Logan, born 9 Jan 1916. John L Durham was a son of John Hardin Durham, born 18 Jan 1842 + Eliza Ellen Trueblood, born Jul 1858. John Logan was born about seven months after his father was robbed and killed on his way home after winning big gambling. Frances subsequently had twins daughter out of wedlock and Frances went on to marry Herman

"Jiggs" Flinn years later. She didn't want her daughters to be raised by a stepfather, and ended up living with her brother Thomas H. Weddle, until the daughters were out of the house.

All my information points to Joseph Durham father of John Hardin Durham, born 1842, as being the Joseph Durham, born 1818 Madison County, KY and died 27 Dec 1874 Rockcastle County, KY. The name of Joseph Durham's first wife was possibly "Anna" but no other information for her.. Anna remains the "first wife" mystery. From the search I have conducted, I have concluded Joseph Durham moved to Indiana in 1836 or 1837. His first child, Julia Ann, was born Indiana 12 Jan 1838, John Hardin born 1842 would be the second known child, and a third, Mary A was born 1848 also, Indiana. I assume first wife Anna, died prior to Joseph Durham moving back to KY. I have not found him on the 1850 or 1869 census. Joseph married second to Matilda Mahaffey, widow of Phillip Rector on 17 mar 1863 in Rockcastle County, KY. They had four children, maybe five if one came before they were married, which looks likely. Their youngest son was my grandfather, born 1871. When Joseph Durham died in 1874, he apparently owed a significant amount of money on their home place. That was litigated in Rockcastle County Court in 1877, with the plaintiff's beings Joseph Durham's widow, Matilda, and all his children, including John Hardin Durham.

Frances,

My cousin has been digging through old documents and found some info that may help you in your research. Here's what she wrote to me...hope you find it useful (I think it's from harrodsburgherald.com)

"Here are the names of some kinfolks who attended a birthday picnic for Stephen Thomas Durham on his 91st birthday at Brooklyn Bridge, Mercer County. I have not heard these people's names in our family stories so they must be the descendants of his other children who I believe are Frances' Kinfolks. They were: Mr. and Mrs. Nathan Durham, Miss Margaret Durham, Lexington; Mr. and Mrs. Robert McGohon, Mr. and Mrs. Merritt McGohon, Mr. Garrett McGohon, Miss Christine Drurery, Mr. Lewis Drurery, Wilmore; Mr. and Mrs. Green Durham, Mr. Chester Durham, Richmond. And then "On Sunday next, Mr. Durham will accompany members of his family to his old homestead in Jackson County, Ky. The home was built on land that Mr. Durham helped his father and brothers clear in 1855. The Durham burying ground is nearby. The home is occupied by a great nephew of Mr. Durham, and since it was built in 1855 it has never been out of the family." (Remember he was born in Laurel County (near London, Ky.) October 1, 1845).

I was wrong about his being at the Battle of Perryville. That was A. C. "Clem" Crane, S. T. Durham's brother-in-law. He was married to Margaret Ann Waters, sister of Lucinda Waters Durham (S. T.'s first wife). S. T. Durham's Civil War history is given in his obituary which we can get a xerox copy of for Frances-- but I think she will find this paragraph (from obit) most interesting:

"After the war Mr. Durham returned to his home in Jackson County but soon afterward came to Mercer County, and married Miss Lucinda Waters of this place, who bore three children. After her death he was married to Miss HELEN Hardin, a Louisville girl, by whom he had five children. Of his eight children, three have died. The second wife also died a number of years ago. Surviving him are sixty-one descendants, including the following children: Thomas Durham, Harrodsburg (our great (and great great uncle), Albert Durham, Oakwood, Ill. ("Helen"'s son), Walter Durham, Louisville, (Helen's son), Mrs. W. P. Hardin (Granny), and Mrs. Walter Merriman, Harrodsburg, (Helen's child)."

This should give Frances some further clues as I think Helen must be her Ellen Hardin!

I am excited for her for this gives her some names and places to track down. The date of this obit is early June, 1939. Please pass this on to her!"

Hope this helps you a little.

Stan

" Ida came to Illinois at a young age with her sister Minerva Jean. The move from Kentucky to Illinois was connected to Ida's father's employment with the railroad. Henry and Lucy worked (he as a cook) and lived in a railroad workers camp outside of Danville in the early 1900's. By 1910-1912, Ida was working at the camp boarding house doing laundry. Lucy was working at the house of Dr.'s Henry and Maggie Downs, as either a cook or a laundress or maybe both. This is how the young son of the Drs Downs met the attractive daughter of the hired help." Earnest and Ida were married April, 27,1912.

You have more about William Moss Chasteen than I did. Cousin Helen just said he was a very bad man and was shot and killed.

You have him as the "2nd of 6 children of Albright Chasteen and Mary Snyder, b May 1875 Rockcastle County d 1905" and

I do know that Grandma Baker's son by him was raised by my Grandpa Baker as one of his own although he wasn't formally adopted. I have a letter written by a woman whose family had a near-by farm at Conway. Her brother worked with my dad when they were building a road through Trimble County. Daddy had a Model T Ford and he and George Saylor took my mother and Aunt Gladys to the next county and married them. George was killed riding a truck home from work, leaving Aunt Glad a widow at 17. She went to work as a stenographer in Louisville, met a young medical student and they married. Both she and the doctor are still living in Louisville but my mother and dad passed on some years ago. Anyway, George Saylor's sister lived at Berea and Mother's friends there gave her the news that Daddy was in the hospital. She wrote to ask how he was and about others in the family. She wrote "Joe had good parents". I know that George Baker had a good reputation. I was born after he died and never knew him but knew a woman from another neighboring family who did and she said he was well respected by his neighbors.

"My grandmother Martha Ann Croucher was not married to Wm Moss Chasteen. I had to enter him as her spouse to show who uncle Bills father was. My grandfather Baker raised Bill and Bill went by the Baker name. As he was illegitimate, I suppose he should have been William Boone Croucher. I do wonder what the truth is. One possibility is that occurs to me is that Chasteen may have raped MARtha Ann and Maybe Elijah or one of her brothers shot him. Killings were not uncommon in that part of Kentucky. I know the Bakers went after anyone who mistreated a member of the family."

Howdi Darrell, would have got to this before but I was watching that race from Bristol and then had to walk the mut, he gets cranky when his bladder gets full!! Know how he feels, forgot to take my Flomax and DatriilLa last nite and had to get up every 1/2 -3/4 hour, all nite long,was beat all day!!!

Your cousin is rite, her name was Edna, when I saw the name its like I saw a picture of her.. Was a shame she had that problem, but her parents may have been close cousins!~ It did happen a lot in those day. ----I dont know whose Gen file hat is but it is wrong Edna was NOT Clell's daughter.!! Clell's name was McClellen Mullins, his father was William G, Mullins, see Charles S. Owens file which I am going to try to attach to this e/m if I can figgure out how to.

Clell was a cantankerous old fellow ,,had Catarr or Hayfever, smoked occasionally, chawed constantly, complained about poor old Mammies cooking all the time, as far as I am concerned she was the best damned cook around!! OH FOR SOME OF HER CHICKEN AND DUMPLINGS!!! CORN BREAD AND SOUP BEANS!!! Anyway Clell and Nannie had three Daughters ,, Velma the oldest, died about 19 years old ,T.B... Kizzie was next and then Evalina.. I dont know if Kizzie is still alive or not but Evelina, my mother, was killed along with her second husband, Thomas Storrer,, 3 miles above Berea on Aug 19 1972.. Tractor trailer slid across the median ,on I-75, was up in the air and came down on the front of the car, they died instantly.. My niece Cathy Fluke was driving and it messed her up pretty badly..

Notes for KIZZIE MULLINS:

Bob Sowder was Kizzie Mullins husband,Kizz was Clells oldest living daughter. Of course when he mentioned it to Bobby he never returned my msgs...My sister caught Kizzie and Mammie cleaning out their trailer down in Barbourville,this was day after Mom and Thomas were killed on 75 just above Berea.They had a big fight and I guess he still has hard feelings and Kiz has been dead forclose to 20 years.

Anyway it truly is a small world..

Notes for WILLIAM "FRANK / FRITZ" MILLER:

William was my Uncle Bill. I remember several stories about him. One was that during the Second World War, my cousin Eddie was serving in the USN in the Pacific. Uncle Bill was cutting meat at the old Chicago Meat market at the corner of Front and High Streets in Hamilton, Ohio. At that time, meat was being rationed to each family through the use of coupons. One day a woman came in and he was waiting on her. She tried to get him to give her more than what she was entitled to and he got so mad at her, he jumped over the meat counter with a knife in his hand. I don't think he would have hurt her but he definitely showed the "Miller Temper".

Ella Mae told us the story of her wedding. Her father was not there because he was holding a revival in Garrod County, KY. The ceremony was supposed to be a triple one but the third couple was late. After the ceremony they had what they called a Shiveri. The men later rode George around on a rail and the women carried Ella Mae around in a wash tub.

Notes for BARBARA ELIZABETH DURHAM:

Hi Darrell,

What exactly is the area you referenced in Rock Castle?

I will tell you what I know. My grandmother, Barbara and her brothers and sisters were born in Kentucky, Arkansas and Oklahoma. Her brothers were Martin, Jim,

Oliver (Mutt), Doyle and Coyle (twins) and her sisters were Nannie, Debbie and Minnie. From the story I heard in 1920 my grandmother and Aunt Nannie were the first to fall ill with the flu, they went unconscious and when they awoke, their mother, Martha, brother Martin and one of the twins were dead and buried from the flu. The other twin died months later. I do not know his cause of death or which twin died along with Martha and Martin. My grandmother married Taft Holland and moved to California, eventually settling in Clovis. She was joined in California by her brothers Uncle Mutt and Uncle Jim and sister Aunt Nannie. I believe Debbie is still alive and lives in Ohio????? I have no information on Minnie. Uncle Jim passed away in 1967 and Uncle Mutt and Aunt Nannie in 1984. My grandmother just celebrated her 98th birthday in August. She now lives in a nursing home and I am not sure how much information she can still give. I just started the search for my grandmother's family. I have been lucky and found her mother and dad. I sent for John and Martha's death certificates, but have yet to receive them. Also, her dad passed away in 1937 and John, Martha, Martin, Doyle, Coyle and Jim are all buried at New Zion Cemetery in Lincoln County, Oklahoma.

I hope to hear from you soon.

Julie

P.S.

Which state do you live?????

Hello Darrell,

I have sad news. My grandmother, Barbara Elizabeth Durham Holland passed away December 28, 2006 at the age of 98 in Bullhead City, Arizona. She was laid to rest January 18, 2007, along side her husband, Taft Holland at Clovis cemetery, Clovis, California. It was a lovely service. I was able to see many cousins I had not seen in many years. My cousin, Connie passed along some pictures Grandma had given her. One is a photo of Becky Durham, Grandma's aunt. Becky married Syrus Radford, a Holland cousin. The other photo is of her father, John Thomas Durham and his brother. Connie does not know who is who in the photo. She believes she has it written down and will let me know. I will pass the info along to you if I find out.

I hope this letter finds you well and I hope to hear from you.

Julie

I just got off the phone with my mom, she said that Matilda is buried in Shelbyville, Ky. There was Matilda, Doani, Lettie, and a boy named Marion. Lettie married a man last name Payne. Their father was Tom Durham, she

couldnt remember the mothers name. She was going to visit Jack Hargis and get more info. Mom said Matida was married to Prows before Virgil Hargis, and left my grandfather for his brother John Hargis. They didnt marry.....she married Rucker and later killed herself. My grandfather Virgil was born 9-2-1875. Ollie the daughter of Matilda married a man named Bob Bradley, they had one daughter. Mom says he is still alive, but Ollie died. I will know more next week when mom comes in for the holiday my Aunt Doani Hargis[Durham] is buried in Hazeldale Cem.

Betty here,

My Aunt Daisy Hargis [Prows] she was married to Noel Hargis, he passed about 5 years ago, she passed 2 months ago, Around the time of terriost attacks. I will ask my mother on Virgil date of birth. She was his last child from the third marriage. I will also find out about Matilda Durham, I dont have many left from that branch. All of Virgils children are gone except for my mom and 1 brother. I never knew him, but my granny always said Virgils mother was a very hateful woman, but his dad was nice. A lot of preachers on that side. My aunt Doani Durham and George Victor Hargis about all the kids are gone but Jack, hes getting old and not in good health. I know his children well.Nannie had about 4 boys, she was married to Joe DeBord.They're boys are all alive but one, Danny Joe, passed several years ago. " I have been told that Marion killed a man named Squire Singleton. An argument over some real estate was the cause. Squire was going to shoot him first. Court records of shooting indicate Marion did in fact kill Squire Singleton with a winchester rifle from 125 yards. Squire was shooting at him first. Event took place February 1919.

He died in the Stanford Hospital in Kentucky. He stepped in front of a car.
